# **2025 Oceania Mountain Bike Continental Series**

## **Series Guide**

V3 March 2025

## **President's Message**

---

On behalf of the Oceania Cycling Confederation, it is a pleasure to welcome all athletes, team managers and staff, officials, volunteers and supporters to the 2025 Oceania Mountain Bike Continental Series.

The Continental Series was developed in close collaboration between the Union Cycliste Internationale (UCI) and the Continental Confederations.

The Oceania Mountain Bike Continental Series will provide riders from Oceania with a new opportunity to qualify for the UCI Mountain Bike World Cups, part of the WHOOP UCI Mountain Bike World Series.

I am delighted the inaugural Oceania Mountain Bike Continental Series will see three rounds for Cross-country and five rounds for Downhill across Australia and New Zealand, between January and May 2025.

The series will enhance the level of mountain bike events in Oceania and serve as a building block for continued growth. With UCI status and points on offer it provides an important opportunity for athletes in the Oceania region to compete against some of the world's best on home soil.

We will be sure to witness exceptional performances from elite and aspiring athletes from across the Oceania region including Olympians and up and coming riders, who aspire to compete at the top level of our sport.

To AusCycling, Cycling New Zealand, Mountain Bike New Zealand, clubs, as well as race officials, support services, team managers and crew, and the many community volunteers, I extend our gratitude for your contributions that we know will ensure a successful series

Finally, to the athletes who have travelled from far and wide to compete, I wish you all the very best.

President, Oceania Cycling Confederation  
Management Committee Member, Union Cycliste Internationale

## Introduction

---

The Oceania Mountain Bike Continental Series was developed in close collaboration with the Union Cycliste Internationale (UCI) to strengthen mountain bike globally and provide a pathway for riders to qualify for the UCI Mountain Bike World Cups, part of the WHOOP UCI Mountain Bike World Series.

This series guide has been developed to provide information on the series, and it is important to read this document along with the UCI Mountain Bike Regulations and Event Technical Guides.

An FAQ and more information can be found on the event page at [oceaniacycling.org](https://oceaniacycling.org)
